SPECIALIST SURFACING

Our Specialist Surfacing division provide a wide range of road marking services from design through to installation across the UK.

The team uses their extensive knowledge and experience to ensure delivery excellence of these specialist markings.

Types of Markings:

- School Playground Markings
- 3-D Pedestrian Crossings
- Road Graphics
- Public Artworks
- Multi-Use Games Areas
- Car Park Line Markings
- Race Circuits

Working together with our London Borough clients, we collaborate with local artists to deliver public artworks and road graphics, which include art crossings that are designed and installed as permanent crossings. We also have the in-house capability to design bespoke art crossings.

London Boroughs we are proud to work with:

- Richmond
- Merton
- Lewisham
- Croydon
- Barnet
- Bromley
- Merton
- Southwark
- Kensington & Chelsea
- Westminster City Council
- Hammersmith & Fulham

We also work with private clients, including schools, to create imaginative and educational playground markings.

Playground Markings:

- Clocks and Compasses
- Exercise and Adventure
- Numbered Grids
- Numeracy and Literacy
- Bespoke Ideas

Please contact the team for any enquiries.
