

# SUREPHALT®

SurePhalt® is a CI942 BBA HAPAS certified product, designed for long-term durability and performance on high-speed roads

SurePhalt® is a stone mastic asphalt (SMA) thin surface course system (TSCS) available in 10mm and 14mm aggregate sizes. It can be produced with either penetration grade bitumen 40/60 or polymer modified bitumen (PMB) in a range of polished stone values (PSVs) to meet various performance requirements

**HIGHWAYS**

# SUREPHALT®

## WHY CHOOSE SUREPHALT®

- ✔ SurePhalt® is a HAPAS certified product and meets Clause 942 of Highways England Specification for Highways Works.
- ✔ As a BBA HAPAS thin surface course system (TSCS), SurePhalt® can only be installed by FM Conway accredited contractors to ensure its longevity and the highest industry standards.
- ✔ Offers noise reduction compliant with Level 3.

## APPLICATION BENEFITS

- Reduced installation time
- Efficient to work with
- Reduced network disruption

## DISCOVER THE FULL RANGE

**SurePhalt® 10** - Stone Mastic Asphalt (SMA) Thin Surface Course System (TSCS), PMB, 55-68 Polished Stone Value (PSV)

**SurePhalt® 14** - Stone Mastic Asphalt (SMA) Thin Surface Course System (TSCS), PMB, 55-68 Polished Stone Value (PSV)

Also available in a Penetration Graded Bitumen 40/60 and a Warm Mix.

## APPLICATIONS

- MOTORWAYS
- HIGHWAYS
- LOCAL ROADS

## GUARANTEED COMPLIANCE

All mixtures comply fully with BS EN 13108 'Bituminous Mixtures' and the accompanying guidance notes (PD6691 Appendix B) as applicable.

Product testing complies fully with the requirements of BS EN 12697 'Test Methods for Hot Mix Asphalt'.

Product installation and any subsequent testing is also compliant with BS 5944987 'Asphalt for Roads and Other Paved Areas'.

## CERTIFIED PERFORMANCE

Engineers and contractors use SurePhalt® when they want guaranteed durability and retained texture, ensuring a safe and resilient road for many years to come.

SurePhalt® is rigorously tested to the standards required by Clause 942 of the Highways England Specification for Highway Works. As a HAPAS-certified product, the manufacture of SurePhalt® is highly regulated, with laboratory and in-situ product trials and inspections of our asphalt plants carried out by the British Board of Agrément on a regular basis.
